Lesson 7

SONS OF THE GREEN LIGHT

"In The Beginning ……." Genesis 1:1

Study Finds Evidence for Recent African Origin for All Humans **BY JOHN P. ROCHE** "Fundamental questions about human prehistory just got closer to being answered. Boston College's Assistant Professor of Biology Gabor Marth, together with collaborators Eva Czabarka, Janos Murvai, and Stephen Sherry from the National Institutes of Health recently completed a study on variation in human DNA that provides new insight into the distant past of human populations. In a research article in the January 2004 issue of the journal

Genetics, Marth and his colleagues report strong evidence for a large population bottleneck in the distant past in European and Asian populations. They found no evidence for a similar bottleneck in African populations. Their data supports the hypothesis that *multiple waves of humans migrated out of Africa*, and that members of the last wave out of Africa replaced humans from the previous waves. In summary, this study indicates that ***there was a recent African origin for all modern humans."***

Holy Quran, Chapter 68 : The Pen 1 "Nun. By the Pen, and what the angels guide you to write, 2 you are not mad, Muhammad, but are filled with God's grace, 3 and shall have a never ending reward, 4 for yours is a sublime nature. 5 Soon you will see — as they will see — 6 which of you is mad."

PENIS

The Pen is the Source of The WORD

The Penis is the Source of the LIFE SEED (DNA)

John 1: 1 - 14 The Word = DNA

Consider:

Obelisks or Pillars oft-times symbolize the Phallus.

In Hebrew it is called kham-mawn'; meaning "a sun-pillar".

The obelisk symbolized the Sun God Ra and during the brief religious reformation of Akhenaton was said to be a petrified ray of the Aten, The Sun disk. It was also thought that the God existed within the structure. This may be realized by that the fact that spermatozoon (sea/men or semen) is emitted by the Penis which has the same familiar shape and form as does the Obelisks, pinnacles or Pillars seen in Ancient Nubian Civilizations.

Several more of the original Egyptian obelisks of Africa have been shipped and re-erected all in European countries over the world. The best-known examples outside Rome are the pair of so-called Cleopatra's Needles in London and New York City and the obelisk at the Place De La Concorde in Paris.

There are 26 known ancient Egyptian obelisks in the following current locations:.

The Son And Family Name Lie

Mitochondria DNA is only inherited from the mother. It's not a mixture of both parents' genes, like **nuclear DNA**, so it preserves a family record that

isn’t scrambled in every generation.

Question: What is the meaning of the word mitochondria?

The word Mitochondria is from the New Latin: Greek *mitos,* warp thread + Greek *khondrion,* diminutive of *khondros,* meaning "grain, granule."

Question: So you are saying that if a couple doesn’t have a daughter, then their genes disappear?

Answer: That is absolutely correct. If a woman fails to have a daughter her genes disappear, because the mitochondria DNA does not pass on. The same way you are taught that a family name disappears if a son is not born, so it is with mitochondria. This was a deliberate attempt by men to suppress the dominating gene in women, by placing the philosophy that without a son, the family lineage dies. This is not true, if a daughter is not born in the family, then your genes disappear, because the **mitochondria DNA can only be inherited by the female** of the family. **Sacred Records Of Neter: Aaferti Atum-Re Scroll 1:109-113**

The Akashic records are a repository of information

that exists in the astral realm. It is a complete and thorough record of everything that has ever occurred, including the thoughts and feelings of every individual, all through time.

The word "Akasha" comes from Sanskrit, and means "*primary substance"* or "ether".

beget

O.E. *begietan* "to get by effort, find, acquire, attain, seize," from *be-* + *get* (q.v.). Sense of "to procreate" is from 1205.

procreation

c.1386, from O.Fr. *procreacion* (14c.), from L. *procreationem* (nom. *procreatio*) "generation," noun of action from *procreare* "bring forth" (offspring), from *pro-* "forth" + *creare* "create."

DNA

DesoxyriboNucleic Acid

n : (biochemistry) a long linear polymer found in the nucleus of a cell and formed from nucleotides and shaped like a double helix; associated with the

transmission of genetic information; "DNA is the king of molecules" [syn: deoxyribonucleic acid, DNA]

RNA

RiboNucleic Acid. One of the two types of nucleic acids found in all cells. The other is deoxyribonucleic acid (DNA). RNA transmits genetic information from DNA to proteins produced by the cell.

DNA or **Deoxyribonucleic Acid**

There are 139 Biblical References in the KING JAMES VERSION of the Bible to the word "BEGAT" which always refer to birth or genealogy. Indeed the name "GENES of ISIS or GENESIS happens to be the Name of the First Chapter of the King James Version of The Bible.

Israel. Ezekiel 47:21-23 (in Context) Ezekiel 47 (Whole Chapter)

The Pure Gene (Pure Seed) is God, and is of God! The DNA Double Helix has Biochemical "locks" that open by the Power and Grace of the Most High. So the Bible states:

John 1

1. In the beginning was the Word, and the Word was with God, and the Word was God.

2. The same was in the beginning with God.

3. All things were made by him; and without him was not any thing made that was made.

4. In him was life; and the life was the light of men."

Birth brings Us into the TIME DOMAIN of 3-deminsional Space after metamorphorsizing in the Womb for 9 months.

For this reason the "first" zero-time reference is the first Breath of Life. Our Life on Earth begins with that FIRST BREATH and ends physically with Our LAST BREATH. Hence in the NUWAUBIC 19-Base Time System our "Firsts" clockwise is the time-span of a infant’s breath (inhalation followed by exhalation/or

Inspiration and expiration).

Genesis 2:7 (King James Version of the Bible) "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a Living Soul."

CONCEPTION **FERTILIZATION KA'BA ALLAH HAJJ CEREMONY**

All three pictures above reflect the Principle of Life –

Conception, Fertilization and Universal Unity

Sperm, coming from a male's body through insertion, acts as an **alien species to the female body.** This is why the female's body naturally rejects the male's sperm, and thus during ejaculation millions of sperm race to fertilize the woman's egg, and this causes chaos within the woman's body before conception, and she is the one who nurtures the baby. If you look at the phonetics of the word **nurture,** you can hear **nature,** they stem from the same root word, yet man is considered a part of nature. **Sacred Records of Neter: A'aferti Atum-Re Ch. 1, Scroll 1:130**

QUESTION: What is The Word that is GOD and was made FLESH?

This is really no deep mystery. That Word is DNA. In biochemistry

"a long linear polymer found in the nucleus of a cell and formed from nucleotides and shaped like a double helix; associated with the transmission of genetic information; "DNA is the king of molecules" [syn: deoxyribonucleic acid, DNA]

Our Beloved Master Teacher, The Illustrious Dr. Malachi Z. York has revealed many mysteries to Us who are known as Nuwaubians. Our Way is NU-WAUBU, "The Doctrine of Truth and Reality". We seek RIGHT KNOWLEDGE, RIGHT WISDOM and RIGHT OVERSTANDING that inevitably leads to SOUND RIGHT REASONING and not mere Belief or questionable Faith. In fact we seek The TRUTH as Jesus directed in Bible, John 8:31. (Yashu'a/Isa/Tammuz/Christ/Messiah/Emmanuel) stated in the Book of John:

BIBLE: John 8:32- "And ye shall know the truth, and the truth shall make you free."

DNA becomes FLESH, and dwells among us! Today the Tamhu Scientists have learned that DNA can positively identify the offspring of parents to the accuracy of 99.9 percent. TV Shows such as "MAURY" use DNA experts to identify the parents of

children on a daily basis.

DNA Evidence that's many years old can be used today to solve old crimes! Indeed, DNA in the form of Stem cells can be Used to replicate not only new organs for the human body, but also entire bodies complete with vital organs and the organic matter that comes along with it!

John 1:14 (King James Version of the Bible)

"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."

The Problem with Religious people today, Jews, Christians, Muslims, etc. they make The True and Living Deity a Male Ghost …… a Holy Ghost.

The TRINITY is a 3 All Male entity (God, The Father, God, The Son and God the Holy Ghost). Then they demonize the *Flesh* and teach that it (flesh) is sinful. This is a misconception of Reality (True Existence). We all know that it is the Mind that controls, directs and rules over the Flesh Body. The Flesh is the slave-servant of the Mind. And Since The Mind is Ruler, The Head forms first inside the Ummi's (Mother's) womb. In the West They leave out the Goddess Mother (UMMI or NETERT). Hence, there

all-male Trin-ity is incomplete, infertile and Ghost (6-Ether).

Furthermore, Abraham's offspring in the personage of both Prophet Muhammad, Son of Abdullah, and Dr. Malachi Z. York, son of Al-Mahdi of the Sudan, both brought back Respect and Reverence for the Divinity of the Divine Female Principle.

Consider:

Umrah

Rituals of `Umrah In Arabic the word `Umrah is derived from I`timar which means a visit. However, `Umrah technically means paying a visit to Ka`bah, performing Tawaf [Circumambulation] around it, walking between Safa and Marwah seven times. A performer of `Umrah puts off his Ihram by having his hair shaved or cut.

The Ka'bah , Sacred Square or Cube, was purified by the Prophet over 1,400 years ago when he and his Muslim devotees broke up and destroyed 360 idols that desecrated it's sanctity.

The Ka'bah is a symbol of the Sacred Womb of the Divine Mother or UMMI in the Arabbic Language. Here is Wisdom for The Wise:

UMMI = Mother

UMMI NABIY = Mother Prophet

UMMAT= Community of Mother

UMMI ‘L-KITAB= "Mother of The Book"

IMAM= One Whos Stands Before The Mother (Prayer Leader)

Ar-Ra'd (The Thunder) Holy Quran , Chapter 13 English 13:8 Allah doth know what every female (**WOMB**) doth bear, by how much the **WOMB** s fall short (of their time or number) or do exceed. Every single thing is before His sight, in (due) proportion.

So the TRUE QUADITY includes a 4th Element, called UMMI or Mother in the Arabic Language.

The Mother bears The Womb, or RaHiM , which may also be referred to as ARHaaM, RaHMaan. The Arabic Triliteral Root R-H-M denotes , "Womb, Uterus or Matrix", The Mercy Seat.

The BISMI-ALLAH has exactly 19 Arabic Letters.

Bismi-Allahi-Ar-Rahmaani’r-Raheem

1 2 3 4 5 6 - 7 -8 9 - 10 11 12 -**13- 14 -15 16** 17 -18 - 19

Every one of the 114 Chapters of the Holy Quran begins with thee above 19 Arabic Letters, except the 9th Chapter entitled "IMMUNITY". These 19 Arabic Letters are enunciated as

"BISMI -ALLAHI-R-RAHMAANI-R-RAHEEM" and translated as "With The Name of Allah, The Beneficent Yeilder, The Most Merciful Yielder". So here again, RAHMAN and RAHEEM both are Feminine and is generally simply translated, "The Beneficent, The Merciful". Indeed the Creatrix (Rahman) and the Matrix (Raheem) both Yield Birth/Berth.

RAHM AAN = Great Creatrix – Space of CREATOR that gives BERTH (Yields, or gives Room) to Galaxies, Novas, Suns, stars, planets, etc.

RAHEEM = The Matrix – Space that Yields or gives Birth to all things via the SACRED SPACE of wombs, eggs & cocoons

So you must have SPACE before you can experience TIME.

Therefore SPACE & TIME often go hand-in-hand. Better said recognize Father Time and Respect Mother Nature if you wish your Days (Life-Time) to be extended and have longevity.

The Children of God

Finally, some Christians postulate that Jesus is the only begotten "Son of God" and is clothed in Flesh.

All this is no less than a stratagem designed by European Jews and Canaanite Gentiles to steal the Birthright of Nubians and/or African-Americans.

Question: Is Jesus The Only Begotten Son of God?

Answer: According to the Torah and Bible, (Old and New Testament)…NO! Many Christians brag about how they accept and follow their Bibles but when we present the following facts from their Bible they refuse to accept it. This proves that they are under a spell of Leviathan (blood thirsty deity).

Hosea 1:10 "Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the **sons** of the living **God**."

John 1:12 "But as many as received him, to them gave he power to become the **sons** of **God**, even to them that believe on his name:"

Romans 8:14 "For as many as are led by the Spirit

of **God**, they are the **sons** of **God**."

Romans 8:19 "For the earnest expectation of the creature waiteth for the manifestation of the **sons** of **God"**

Philippians 2:15 That ye may be blameless and harmless, the **sons** of **God**, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world;

1 John 3:1 "Behold, what manner of love the Father hath bestowed upon us, that we should be called the **sons** of **God**: therefore the world knoweth us not, because it knew him not."

1 John 3:2 "Beloved, now are we the **sons** of **God**, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is."

Job 1:6 "Now there was a day when the **sons** of **God** came to present themselves before the LORD, and Satan came also among them."

Job 2:1 "Again there was a day when the **sons** of **God** came to present themselves before the LORD, and Satan came also among them to present himself before the LORD."

Job 38:7 "When the morning stars sang together, and all the **sons** of **God** shouted for joy?"

Now, This is not from a book or scroll written by Dr. Malachi Z. York, but rather what is written in the King James Version of the Bible. Do you accept what your own Bible says?

You may say, "Oh it doesn't mean what it says!"

That's madness. You are proving by that statement you don't have a mind of your own. We who are the "ANCIENT OF DAYS" are the Children of God! AFRICA is the Cradle of Civilization! We are not just the Children of God ….but we are The God Seed!

Don't take my word for it, ask the anthropologists and the learned historians of the world. The Black Tamareans (Egyptians) were worshipped as "Gods and Goddesses". Do you doubt this truth?

Well, here we go again to 'your' Holy Bible:

Exodus 7:1

1). "And the LORD said unto Moses, See, I have made thee a God to Pharaoh: and Aaron thy brother shall be thy prophet. "

The sugar-phosphate backbone is on the outside and the four different bases are on the inside of the DNA molecule.

This is indeed profound when you consider that the Pharaoh of Ancient Egypt was recognized as a "God" already. And not only was Moses made a "God" by the LORD, but the LORD also made Aaron Moses' Prophet!

The two strands of the double helix are anti-parallel, which means that they run in opposite directions.

The sugar-phosphate backbone is on the outside of the helix, and the bases are on the inside. The backbone can be thought of as the sides of a ladder, whereas the bases in the middle form the rungs of the ladder.

Each rung is composed of two base pairs. Either an adenine-thymine pair that form a two-hydrogen bond together, or a cytosine-guanine pair that form a three-hydrogen bond. The base pairing is thus restricted.

This restriction is essential when the DNA is being copied: the DNA-helix is first "unzipped" in two long stretches of sugar-phosphate backbone with a line of free bases sticking up from it, like the teeth of a

comb. Each half will then be the template for a new, complementary strand. Biological machines inside the cell put the corresponding free bases onto the split molecule and also "proof-read" the result to find and correct any mistakes. After the doubling, this gives rise to two exact copies of the original DNA molecule.

The coding regions in the DNA strand, the genes, make up only a fraction of the total amount of DNA. The stretches that flank the coding regions are called introns, and consist of non-coding DNA. Introns were looked upon as junk in the early days. Today, biologists and geneticists believe that this non-coding DNA may be essential in order to expose the coding regions and to regulate how the genes are expressed.

Master Teacher Dr. Malachi Z. York Wrote:

"Genetic Phaseout

There is no longer a question of which race was on the planet first. All are in agreement that Negroes are the oldest race on the planet with five fingers and five toes, having wooly lamb’s hair, also melanin, and that all others – Mongoloid and Caucasoid come out of the original Negroid gene. They are our children; we are their parents and

that's why it hurt so much when we found out that they were evil continually (*Genesis 6:5*). The last string of a defected gene is the albino as they have recently found the albino gorilla, alligator, buffalo, snake, and many other creatures who have reached the end of their genes.

So it is with the human race and the albino of the human race because the Caucasians are at the last strand of their genes, who have no place in history. So , he takes on other peoples way of life and culture, mixes his seed into their seed, uses his influence and will to take control. He starts off subtle; for example, he takes over the Carnival Of The Black Portuguese – in Brazil – which has been going on for centuries. They gradually took over the carnival by controlling the floats through the rest of the Caribbean. They took over the powwow of the Native Americans. They have even planted themselves into everything and has actually taken over the image of Jesus Christ and made him Bar-Jesus as a beast, in the image of the beast and giving it life. What I mean is they created Jesus both talking and walking through movies, videos, et cetera to convince you of his untrue looks.
